MÓRAHALOM VÁROS POLGÁRMESTERÉTŐL

Ana Vujinov

Project manager

Dear Mrs Ana Vujinov!

Mórahalom has long been committed to preserving and maintaining national and local traditions, and pays great attention to fostering relations with its twin towns.

We are delighted to host such prestigious and nationally recognised events as the “Homokháti Sokadalom” Festival, the Strudel Festival of the Southern Great Plain or the Pálinka and Crackling Festivals. These events provide us an opportunity to host our twin towns and to maintain our good relationships.

Currently our municipality is organising the „Homokháti Sokadalom” Festival for the 18th time now, one of the main aims of which is to protect and keep alive the traditions of the region and the border communities.

Dear Mrs Ana Vujinov!

We hereby cordially invite you and your SCHOLAR-SME scholarship students to the XVIII. „Homokháti Sokadalom” Festival, which this year again offers a wide range of activities for participants.

Duration of the invitation:

1st July 2022 – 3th July 2022

Number of invited guests:

20 persons

Please note that the number of invited guests is indicative and that we kindly welcome delegates of different numbers.

My staff is happy to help you with the details.
